(1) The opinion regarding the results is on reported EBITDA with respect to our estimate for the year (12m). The impact reflects whether, due to the results, we envisage a significant revision (>5% - 10%, depending on the sector) of our EBITDA estimate (for any of the estimated years).

- (2) Please refer to table 2.
- (3) Rotation is the % of the capitalisation traded 12m.

(4) vs Stoxx Europe 600 Technology.

(5) Others: Autocartera 1.8%

2024 results: backend loaded year with clear improvement in 2H24

FLAT REVENUE (+0.8%)... AGIL closed 2024 with revenue of EUR 84Mn (adjusting for the accounting treatment of WeTek -sales of devices- as a discontinued operation). Revenue, including WeTek, fell -1.3% in 2024, which compares favorably to the 8.8% drop in 6M24. We highlight: i) Agile Devices reported EUR 17.1Mn in 2024 vs. EUR 6Mn in 6M24, confirming the message from the 6M24 presentation about the lumpiness of order entries and the recovery in 2H24; ii) the probable sale of WeTek will reduce revenue volatility and increase recurrence (ARR 87.4% of revenue net of content sales in 2024 versus 85% in 2023) and will focus efforts on Agile Platform and Agile Technologies; iii) the recently underperforming division (Agile Technologies) has introduced a new product range with a positive impact on revenue (2H24 revenue -12% versus -19% in 6M24), and AGIL is confident of returning to revenue growth in 2025 (alliance with strong commercial partners such as HARMONIC).

...WITH RECURRING EBITDA +38.7% TO EUR 3.8MN (in line; driven by a 1.7 p.p. improvement in gross margin and controlled OPEX, with personnel expenses +3.9% and other operating expenses -0.5%). The deconsolidation of WeTek (discontinued operation) negatively impacts Net Debt (EUR 26.8Mn in 2024 vs. EUR 18.5Mn in 2023) and explains 80% of the increase in Net Debt. We maintain estimates.

RESULTS IN LINE. THE GOOD NEWS IS 2H24 RESULT. Focus on two divisions with good commercial prospects in 2025 and beyond, presentation of new 5Y- strategic plan, and continuation of delivery (as in 2H24) will help stock price (-43.2% -12m) to "turn around.

Report issued by IEAF Servicios de Análisis, S.L.U. Lighthouse is a project of IEAF Servicios de Análisis, S.L.U.

This report has been prepared on the basis of information available to the public. The report includes a financial analysis of the company covered. The report does not propose any personalised investment recommendation. Investors should consider the contents of this report as just another element in their investment decision-making process. The final two pages of this report contain very important legal information regarding its contents.

Agile Content (AGIL) is a BME Growth company

BME Growth is the segment of BME MTF Equity aimed at small and medium sized companies, directed and managed by the Spanish stock market and is subject to the CNMV supervision. BME MTF Equity is not a Regulated Market but instead falls within the classification of a Multilateral Trading Facility (MTF) as defined under the Markets in Financial Instruments Directive (MiFID). In July 2020, BME Growth obtained the status of SME Growth Market, a new category of EU regulations, which in Spain is called Mercado de Pymes en Expansión.

BME Growth is the Spanish equity market for companies of reduced capitalization which aim to grow, with a special set of regulations, designed specifically for them, and with costs and process tailored to their particular features. Operations in BME Growth (former MAB) started in July 2009. There are currently c.140 companies listed on it. Companies listed on the MAB can choose to present their financial statements under IFRS or the General Accounting Plan (PGC) and Royal Decree 1159/2010 (NOFCAC).

The final two pages of this report contain very important legal information regarding its contents.

IMPORTANT LEGAL INFORMATION REGARDING THIS REPORT

LIGHTHOUSE

Lighthouse is a project of IEAF Servicios de Análisis S.L.U. Lighthouse is a research project funded by Bolsas y Mercados Españoles S.A. Lighthouse aims to improve the research coverage of the "orphan stocks" of the Spanish market: those which lack real and continuous research coverage. Lighthouse reports will not include valuation and target price. Lighthouse does not seek to provide investment advice to any natural or legal person. For this reason, Lighthouse will not provide a valuation, target price or investment recommendation for any of the securities analysed.

IEAF Servicios de Análisis S.L.U. is a Spanish company whose corporate purpose is:

1°) To provide information and financial analysis regarding securities issued by any class of legal person traded or not on official secondary markets, and especially (but not exclusively) those securities which are not the object of the recurrent provision of information and analysis by financial analysts who participate in the markets.

2°) To publicise and update the aforementioned financial reports and analysis, in addition to the monitoring and following of the securities on which the information and analysis is provided.

3°) To prepare studies and projects aimed at proposing and implementing measures to improve the information and financial analysis of securities traded on official secondary markets.

IEAF Servicios de Análisis S.L.U. is a company whose sole shareholder is the Instituto Español de Analistas Financieros, a professional, not for profit association.

DISCLAIMER

The Instituto Español de Analistas Financieros hereby certifies that the analyst of IEAF Servicios de Análisis S.L.U. whose name figures as the author of this report, expresses views that reflect their personal and independent opinion of the company analysed without these implying, either directly or indirectly, a personalised recommendation of the company analysed for purposes of providing investment advice. This report is based on the preparation of detailed financial projections from information available to the public and following traditional fundamental research methodology (i.e. it is not a technical or quantitative analysis report). For the analysis methodology used in the preparation of this report, please contact the analyst directly; contact details are included on the front page of this report.

The report includes basic information regarding the main parameters to be used by an investor when making their own valuation (whether by discounted cash flows or multiples). These parameters are the personal opinion or estimate of the analyst. The person receiving this report should use their own judgement when using these parameters and should consider them as another element in their decision-making process in respect of investment. These parameters do not represent a personalised investment recommendation.

Rules governing confidentiality and conflicts of interest

None of the following rules governing confidentiality and conflicts of interest (12) is applicable to this report:

1. This report is non-independent research as it has been commissioned by the company analysed (issuer).

2. In the last 12 months, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., has had Investment Banking mandates or has managed or comanaged a public offering of the securities of the issuer, or has received compensation from said issuer for Investment Banking services, that exclude brokerage services for prepaid fees.

3. In the next 6 months, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., expects to receive or intends to obtain compensation for Investment Banking services provided to this company that exclude brokerage services for prepaid fees.

4. The Investment Analyst or a member of the Research Department or a member of their household has a long position in the shares or derivatives of the corresponding issuer.

5. The Investment Analyst or a member of the Research Department or a member of their household has a short position in the shares or derivatives of the corresponding issuer.

6. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U. held a long position of over 0.5% of the issuer's capital.

7. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U. held a short position of over 0.5% of the issuer's capital.

8. At the end of the month immediately prior to the publication of this report, or of the previous month if the report is published in the ten days following the end of the month, the company analysed (the issuer) or any of its subsidiaries held 5% or more of any class of equity security of the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U.

9. A senior director or officer of the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., or a member of their department is a director, officer, advisor or member of the Board of Directors of the issuer and/or one of its subsidiaries.

10. The Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., acts as broker for the Issuer for the corresponding prepaid fees.

11. The contents of this report related to the financial analysis, financial projections, valuation, investment summary and opinion of the analyst have been reviewed by the issuer prior to its publication.

12. The issuer has made changes to the contents of this report prior to its distribution.

The Investment Analysts who have prepared this Investment Analysis are employees of IEAF Servicios de Análisis S.L.U. These analysts have received (or will receive) compensation according to the general earnings of IEAF Servicios de Análisis S.L.U. To obtain a copy of the Code of Conduct of IEAF Servicios de Análisis S.L.U. (in respect of the Management of Conflicts of Interest in the research department), please use the e-mail address secretaria@institutodeanalistas.com or consult the contents of this Code at https://institutodeanalistas.com

IEAF Servicios de Análisis S.L.U. is compensated by Bolsas y Mercados Españoles, S.A. for the preparation of this report. This report should be considered as just another element in the taking of investment decisions.
