(1) The opinion regarding the results is on reported EBITDA with respect to our estimate for the year (12m). The impact reflects whether, due to the results, we envisage a significant revision (>5% - 10%, depending on the sector) of our EBITDA estimate (for any of the estimated years).

(2) Please refer to Appendix 3.

(3) Rotation is the % of the capitalisation traded - 12m.

(4) Sector: Stoxx Europe 600 Media.

(5) Please see Appendix 2 for the theoretical tax rate (ROCE) and rec. FCF calculation.

(6) Multiples and ratios calculated over prices at the date of this report.

(7) Squirrel Capital is a company owned by Pablo Pereiro.

(*) Unless otherwise indicated, all the information contained in this report is based on: The Company, Refinitiv and Lighthouse.

Report issued by IEAF Servicios de Análisis, S.L.U. Lighthouse is a project of IEAF Servicios de Análisis, S.L.U.

This report has been prepared on the basis of information available to the public. The report includes a financial analysis of the company covered. The report does not propose any personalised investment recommendation. Investors should consider the contents of this report as just another element in their investment decision-making process. The final two pages of this report contain very important legal information regarding its contents.

REVENUE GROWS +47%, DRIVEN BY THE MEDIA DIVISION, WHICH GREW BY +65%.

The most relevant division in terms of revenue, Media (78% of total revenue), reported a +65% increase in revenue, including organic growth and the impact of M&A from recent months. The Content vertical suffered a -5% drop, as most movie releases take place in the second half of the year. The Network division increased its revenue by +11% following the agreement with Mediaset.

REC. EBITDA +40.8%, DRIVEN BY MEDIA (LOWER STRUCTURAL PROFITABILITY) AND WITH A (TEMPORARY) LOWER CONTRIBUTION FROM CONTENT.

The lower weight of Content in the revenue mix (higher margin), due to business seasonality, and the significant increase in the weight of Media in the mix (lower margin) explain the -0.6 p.p. drop in the Rec. EBITDA margin to 13.4%. Media's EBITDA margin (11.0%; +1.3 p.p.) rose due to greater efficiency and economies of scale, while Content's (29.3%; -25.5 p.p.) was affected by lower activity, given the larger number of releases scheduled for the second half of the year. Network's EBITDA (EUR 4.7 Mn) "jumps" vs. 6m25 (breakeven) due to the profitability boost following the Mediaset deal.

RESULTS IN LINE. WE MAINTAIN 2026E ESTIMATES (EBITDA +52%), which include a revenue estimate of EUR 313 Mn (+28%), Rec. EBITDA of EUR 39.5 Mn (+52%), and Net Income of EUR 12.3 Mn (+103%).

THE KEY LIES IN THE HIGH GROWTH POTENTIAL OF REC. EBITDA FOLLOWING RECENT M&A, COUPLED WITH ORGANIC GROWTH IN MEDIA.

Following the stock's slightly negative performance (-4.3% YTD; +0.6% vs. sector), SQRL trades at a 2026e EV/EBITDA of 6.8x, slightly below its sector (large global advertising companies at 6.9x 2026e EV/EBITDA) and the Media sector in Spain (7.2x).

However, M&A continues—with potential transactions in neither the Content nor Media segments being ruled out—and supports the expectation that organic growth will continue to contribute. The key for SQRL is very straightforward and boils down to confirming expectations that growth will remain very high (2025-2028e EBITDA CAGR of +23.1%), which would bring the multiple down to 5.8x as early as 2027. Everything pivots on execution to deliver high growth rates that support current multiples.

The company in 8 charts

A business diversified across three major areas of the media business (% o/Revenue 2025)

We expect a strong take-off of the content business (explained by the higher number of new releases)...

...and enabling the company to expect revenue in 2028e of around EUR 360.4Mn (+14.0% CAGR 25-28e)

With a gross margin of 26.1% in 2028e (vs 23.7% in 2025) driven by growth in the more profitable business lines

The larger weight of content in the revenue mix should drive EBITDA 2028e to EUR 48.6Mn (vs EUR 26.0Mn in 2025)...

...leaving room for positive FCF (Rec. FCF 2028e: EUR 7.3Mn) despite high CAPEX (required to renew content)

Cash generation should keep debt under control (ND/EBITDA 2028e 0.5x)

EV/EBITDA 2026e 6.8x vs 7.2x from its Spanish peers

IMPORTANT LEGAL INFORMATION REGARDING THIS REPORT

LIGHTHOUSE

Lighthouse is a project of IEAF Servicios de Análisis S.L.U. Lighthouse is a research project funded by Bolsas y Mercados Españoles S.A. Lighthouse aims to improve the research coverage of the "orphan stocks" of the Spanish market: those which lack real and continuous research coverage. Lighthouse reports will not include valuation and target price. Lighthouse does not seek to provide investment advice to any natural or legal person. For this reason, Lighthouse will not provide a valuation, target price or investment recommendation for any of the securities analysed.

IEAF Servicios de Análisis S.L.U. is a Spanish company whose corporate purpose is:

1º) To provide information and financial analysis regarding securities issued by any class of legal person traded or not on official secondary markets, and especially (but not exclusively) those securities which are not the object of the recurrent provision of information and analysis by financial analysts who participate in the markets.

2º) To publicise and update the aforementioned financial reports and analysis, in addition to the monitoring and following of the securities on which the information and analysis is provided.

3º) To prepare studies and projects aimed at proposing and implementing measures to improve the information and financial analysis of securities traded on official secondary markets.

IEAF Servicios de Análisis S.L.U. is a company whose sole shareholder is the Instituto Español de Analistas Financieros, a professional, not for profit association.

DISCLAIMER

The Instituto Español de Analistas Financieros hereby certifies that the analyst of IEAF Servicios de Análisis S.L.U. whose name figures as the author of this report, expresses views that reflect their personal and independent opinion of the company analysed without these implying, either directly or indirectly, a personalised recommendation of the company analysed for purposes of providing investment advice. This report is based on the preparation of detailed financial projections from information available to the public and following traditional fundamental research methodology (i.e. it is not a technical or quantitative analysis report). For the analysis methodology used in the preparation of this report, please contact the analyst directly; contact details are included on the front page of this report.

The report includes basic information regarding the main parameters to be used by an investor when making their own valuation (whether by discounted cash flows or multiples). These parameters are the personal opinion or estimate of the analyst. The person receiving this report should use their own judgement when using these parameters and should consider them as another element in their decision-making process in respect of investment. These parameters do not represent a personalised investment recommendation.

Rules governing confidentiality and conflicts of interest

None of the following rules governing confidentiality and conflicts of interest (12) is applicable to this report:

1. This report is non-independent research as it has been commissioned by the company analysed (issuer).

2. In the last 12 months, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., has had Investment Banking mandates or has managed or co-managed a public offering of the securities of the issuer, or has received compensation from said issuer for Investment Banking services, that exclude brokerage services for prepaid fees.

3. In the next 6 months, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., expects to receive or intends to obtain compensation for Investment Banking services provided to this company that exclude brokerage services for prepaid fees.

4. The Investment Analyst or a member of the Research Department or a member of their household has a long position in the shares or derivatives of the corresponding issuer.

5. The Investment Analyst or a member of the Research Department or a member of their household has a short position in the shares or derivatives of the corresponding issuer.

6. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U. held a long position of over 0.5% of the issuer's capital.

7. At the date of publication, the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U. held a short position of over 0.5% of the issuer's capital.

8. At the end of the month immediately prior to the publication of this report, or of the previous month if the report is published in the ten days following the end of the month, the company analysed (the issuer) or any of its subsidiaries held 5% or more of any class of equity security of the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U.

9. A senior director or officer of the Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., or a member of their department is a director, officer, advisor or member of the Board of Directors of the issuer and/or one of its subsidiaries.

10. The Instituto Español de Analistas Financieros or its subsidiary, IEAF Servicios de Análisis S.L.U., acts as broker for the Issuer for the corresponding prepaid fees.

11. The contents of this report related to the financial analysis, financial projections, valuation, investment summary and opinion of the analyst have been reviewed by the issuer prior to its publication.

12. The issuer has made changes to the contents of this report prior to its distribution.

The Investment Analysts who have prepared this Investment Analysis are employees of IEAF Servicios de Análisis S.L.U. These analysts have received (or will receive) compensation according to the general earnings of IEAF Servicios de Análisis S.L.U. To obtain a copy of the Code of Conduct of IEAF Servicios de Análisis S.L.U. (in respect of the Management of Conflicts of Interest in the research department), please use the e-mail address secretaria@institutodeanalistas.com or consult the contents of this Code at <https://institutodeanalistas.com>.

IEAF Servicios de Análisis S.L.U. is compensated by Bolsas y Mercados Españoles, S.A. for the preparation of this report. This report should be considered as just another element in the taking of investment decisions.

A report issued by IEAF servicios de análisis S.L.U.

All rights reserved. The unauthorised use or distribution of this report is prohibited. This document has been prepared and distributed, according to the provisions of the MiFID II by IEAF Servicios de Análisis S.L.U. Its corporate activity is regulated by the CNMV (the Spanish Securities Exchange Commission). The information and opinions expressed in this document do not represent nor are they intended to represent an offer or a solicitation to buy or sell the securities (in other words, the securities mentioned in this report and related warrants, options, rights or interests). The information and opinions contained in this document are based upon information available to the public and have been obtained from sources believed to be reliable by IEAF Servicios de Análisis S.L.U., but no guarantee is given regarding their accuracy or completeness. All comments and estimates reflect solely the opinion of IEAF Servicios de Análisis S.L.U. and do not offer any implicit or explicit guarantee. All the opinions expressed are subject to change without prior warning. This document does not take into account the specific investment objectives, financial position, risk profile or other specific aspects of the person who receives this document, and accordingly they should exercise their own judgement in this respect. Neither the Instituto Español de Analistas Financieros nor its subsidiary, IEAF Servicios de Análisis S.L.U., assumes any responsibility for direct or

indirect losses arising from the use of the published research, except in the event of negligent conduct by IEAF Servicios de Análisis S.L.U. The information contained in this report is approved for distribution to professional clients, eligible counterparties and professional advisers, but not for distribution to private individuals or retail clients. Its reproduction, distribution or publication for any purpose without the written authorisation of IEAF Servicios de Análisis S.L.U. is prohibited. The Instituto Español de Analistas Financieros and/or its subsidiary IEAF Servicios de Análisis S.L.U., their employees and directors, may hold a position (long or short) in an investment knowing that this issuer will be the object of analysis and that this analysis will be distributed to institutional investors. Any further information regarding the contents of this report will be provided upon request. IEAF Servicios de Análisis S.L.U. intends to publish (at least) one quarterly report or note updating the information on the company analysed.

United States. IEAF Servicios de Análisis S.L.U. is not registered in the United States and, consequently, is not subject to the regulations of that country governing the preparation of research and the independence of analysts. This report is distributed solely to major US institutional investors, in reliance on the exemption from registration provided by Rule 15a-6 of the US Securities Exchange Act of 1934, as amended (the "Exchange Act"), and interpretations of this made by the US Securities Exchange Commission.

Major US Institutional Investors. This report will be distributed to "major US institutional investors", as defined by Rule 15a-6 of the US Securities Exchange Commission and of the US Securities Exchange Act of 1934.
